for *Ly. Comr. of Salt and Abkári Revenue.*

NOTICE OF SALE OF THE PRIVILEGE OF VEND OF COLOMBO ARRACK IN THE SHOPS IN THE TOWN OF MADRAS.

I. Notice is hereby given that the number of shops for the sale of Colombo arrack for the year beginning 1st April 1888 and ending 31st March 1889, in the Town of Madras, has been fixed at 48, and that the right of selling Colombo arrack in each of these shops will be put up to public auction at the upset monthly prices at the place and time and on the date specified in the schedule hereunto annexed. The sale will be conducted by the Deputy Commissioner of Salt and Abkári Revenue, Central Division, at his office on the Mount Road. The limits within which the shops may be established are also shown in the said schedule, and purchasers will be allowed to open their shops in any place approved by the Deputy Commissioner within the limits prescribed.

II. Each bidder at the auction will have to deposit a sum of Rupees 100 previous to bidding. The shops will be knocked down to the highest bidder above the upset price, subject to a reference to the Police as to his personal character. Parties intending to bid must attend either in person or by duly accredited agents.

III. As soon as the auction is completed, the deposits made by the bidders, and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to half a month's rent for that shop. Should he fail to do so, the deposit made by him under paragraph II will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

IV. Persons to whom shops have been knocked down and who have made deposit as provided in paragraph III shall also, within seven days from the date of the auction, deposit such further sum as with the first deposit will make up an amount equal to two months' rent of each shop knocked down to them; and shall take out licenses on the conditions hereinafter set forth.

V. On the failure of any person to make deposit under paragraph IV, or to take out licenses as aforesaid, the shop or shops will be resold at the risk of such person, or, if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner.

VI. Resales effected under clause V will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss by resale, will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

VII. Persons whose bids are accepted will be liable to taxation under Schedule A, and not under Schedule E, of the Madras Municipal Act I of 1884.

CONDITIONS.

1. The privilege conferred by the license extends only to the sale of Colombo arrack excised at the customs rate of duty in force for the time being on spirits imported by sea.

2. The amount for which the privilege has been purchased shall be payable into a Government treasury in equal monthly instalments due on the 15th day of each month commencing from April 1888. The deposit of two months' rent made by the licensee will be taken in payment of the instalments due in the last two months of the period of the rent. Failing payment by the 25th of each month, the Deputy Commissioner of Salt and Abkári Revenue, Central Division (hereinafter called the Deputy Commissioner), may at once proceed to recover the arrears under Section 28 of the Madras Abkári Act, 1886. The Deputy Commissioner, or such other officer as is duly authorized by him in that behalf, will in case of such default immediately issue notice of resale of the privilege of the defaulter not later than the 5th of the following month, and will resell it on the day fixed, with effect therefrom. In that case the deposit will be applied to cover arrears, if any still due, and, the loss, if any, by the resale, and if it should be more than sufficient to do so, the balance will be forfeited. If, however, the deposit should not be sufficient to cover such arrears and the loss by resale, the licensee will be responsible for the difference, which will be collected under Act II of 1864. No remission or abatement of the rent shall on any account whatever be claimable by the licensee.

3. The licensee may purchase the Colombo arrack to be sold in his shop from any wholesale vendor of foreign liquors, with whom he must make his own arrangements as to price, or may import it on his own account.

4. The licensee shall place the license granted to him in a conspicuous place in the shop.

5. The licensee shall fix in a conspicuous part of the front of his shop a sign-board, on which his name, the spirits he is licensed to sell, and the number of his license, shall be legibly inscribed in English and Tamil.

6. The licensee shall prevent all drunkenness or disorder or gaming within his shop.

7. The licensee shall not harbour robbers or thieves or riotous persons, but, on the contrary, shall give intimation to the nearest Magistrate or Police officer as to any such persons who may resort to his shop.

8. The licensee shall not receive any grain, jewels, goods, wearing apparel, or other article in barter or in pawn for spirits, but, on the offer of any such, shall give information to the nearest Magistrate or Police officer.

9. The licensee shall not open his shop before 5 A.M., nor keep it open after 10 P.M., unless the Deputy Commissioner shall generally or specially authorize his doing so, nor harbour any one in his shop during the night.

10. The licensee shall not sell or give any Colombo arrack to any European Non-Commissioned officer or private soldier, or to any European or Eurasian camp-follower, or to any member of the families of any of the aforesaid persons, without the permission in writing of the Commanding Officer, or of some person duly authorized by him in that behalf; nor to any sailor; nor to any sepoy, member of the police force, or servant of a railway company, whilst on duty; nor to any European vagrant under escort of the police; nor to any child under twelve years of age for consumption on the premises; nor shall he sell any Colombo arrack on credit.

11. The licensee shall keep an account showing the quantity and strength of the Colombo arrack received in his shop, the quantity and strength of the Colombo arrack sold, the prices at which it is sold, and the quantity and strength of the spirits remaining unsold each day. Such account shall be produced for the inspection of the Deputy Commissioner, or of any Abkári officer not below the rank of Sub-Inspector.

12. The licensee shall furnish such other returns and information as may from time to time be required by the Deputy Commissioner.

13. The licensee shall not keep or sell Colombo arrack at any other place than that specified in the license.

14. No foreign liquors other than Colombo arrack or country spirits or toddy or country beer shall be sold in shops maintained under this license, unless under separate licenses for the sale of such excepted liquors.

15. Interest upon all moneys due by the licensee shall be payable at the rate of six per cent. per annum.

16. All sums payable by the licensee under this license may be deducted from the amount of his deposit, or recovered by attachment and sale of his property under any law for the time being in force for the recovery of arrears of land revenue.

17. Any sums deducted by the Deputy Commissioner under the powers herein contained from the deposit made by the licensee as security for the performance of the contract shall be replaced by the latter within fifteen days from the receipt of a notice from the Deputy Commissioner informing him of such deductions having been made.

18. In case of any breach of the conditions of the license, either by the licensee, or, with his connivance and privity, by any person in his employment, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rupees 10 for every such breach of such conditions, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and resell the exclusive privilege at the risk of the licensee, and all loss thereby caused shall be made good by him. When a lease is cancelled, the rent for the whole period of the lease shall become due at once.

19. The imposition of a fine, or the forfeiture of deposit, or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of any person for any offence which may be committed against the provisions of Madras Abkári Act, 1886, or other law for the time being in force and relating to the Abkári revenue.

20. If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Madras Abkári Act, 1886, or other law for the time being in force and relating to the Abkári revenue, it shall be lawful for the Deputy Commissioner to declare his license forfeited.

21. If it comes to the knowlege of the licensee, that any person employed by him in the carriage or sale of spirits commits any breach of the Abkári laws, or of engagements entered into by him, it shall be the duty of the licensee to report the matter to the Deputy Commissioner, and to comply with the directions of the Deputy Commissioner respecting the continued employment of such person.

22. The licensee shall be bound by any additional rules as may be prescribed under the Abkári laws existing at present, or which may hereafter be enacted, and shall, on requisition by the Collector, or by any officer duly authorized by the Deputy Commissioner, deliver up his license for amendment or for the issue of a fresh license accordingly.

Note by Mr. J. G. McDonnell Special Assistant Excise Commissioner, on the Excise Commissioner's proposal to issue "Double Distilled" liquors down to 300 up to shops licensed to sell Foreign liquors:—

Vide Letter to Govt. No. 1475 dt. 30/10/93

SECTION

FILE NO.

SER'AL. NO.

1. The question raised involves the interests of the several parties named below

(A) { (a) Of Shops licensed to sell Foreign liquors Wholesale and Retail.
(b) —do— —do— as Refreshment.

(B). Retail Shopkeepers of Cantonment Areas.

(C). Government.

(D). The manufacturing Contractor.

(E). The Public.

2. To enable Government to grasp the whole bearings of the case in a ready and comprehensive manner, I append a statement (A) giving the duty, prices of liquor and other charges, as fixed by Messrs. Parry and Co. at the Government Distillery, Bangalore, and similar rates fixed for the same class of liquors by Messrs. Morrison and Sons at Rampett. It will be seen from Column 5 (K) that the rates of Messrs. Parry & Co. are higher than those of the latter.

(3) At foot of statement (A) I have struck and noted in statement (B) the prices of

of "Double distilled" liquors at 20° and 30° up. per bottle at the distillery, with the costs and profits fixed by the Foreign Liquor Shopkeeper who purchases and sells the said Spirits to the Public at the rates indicated in statement (B) Column 4(d).

4. The retail prices of the two strengths as they will be sold by the party holding a Refreshment Room License for Vend of foreign liquors per dram, are given for the Double distilled liquors and those for "Ordinary Country Arrack" at the same strengths viz/ 20° and 30° up. Vide statement B Columns 7 and 8

5. For ready reference and comparision I have on the same sheet statement (C) noted the prices per bottle of some of the So-called-Foreign, or Spurious liquors, made in, or out of India, and imported into Mysore, to the loss of the Durbar Treasury and placed in juxta position the selling prices of our Durbar distilled Spirits.

6. On the bottles of the so-called-Foreign-liquors a gorgeous label is flaunted. The bottle is neatly capsuled and in many cases much paint and ingenuity are displayed in boxing and sealing. All this imbues the ordinary native mind with the belief that such Spirits have come across the "Kala-Pani." It is made weak and sold cheap to cater to the taste and pocket of

* I. D. is made weak + cheap.

the native consumer who is struck by the appearance and get up of these vile and cheap brands.

7. The prices of the so-called Foreign liquors are as cheap if not cheaper than those put into the Foreign Liquor Shops by Messrs Parry &co. Vide statement (C). Considering the classes for whom this is done "quality" is a secondary consideration in the case of the "upper ten" thin. Price is everything. It is different with these go to the larger Shops or get supplies direct from the larger Firms. These very important elements cannot be ignored. They must be faced.

Prices of F.L. are cheaper than home manufactured liquors.

8. It must not be forgotten that the Foreign article has to bear a duty of Rs 6/ per Imperial Gallon of Proof while the duty on the Mysore Liquors is only fixed at Rs 5/ per Imperial Gallon for the same strength, including local and other cesses. The one comes a long voyage, has to bear heavy charges for freight, insurance, &c and runs great risks en route. In many cases the Indian liquors are sent Home × to be manipulated there and returned as Brandy whiskey, Gin rum &c or this is done in India; or materials are sent home in many cases to make the liquors there for import into India. Yet Messrs Parry &co want Government to allow them to put their Mysore Spirits in the market on the same footing and

F.L. is bundled into steamers & transhipped & therefore is sold at a high rate. Parry & Co want to lower their permits to lower their strength & sell at the same also to sell at the same price as the F.L.

× Messrs Parry & Co deal largely in this business

× I saw Foreign brands actually being imitated in a distillery at Madras. I have explained how these are prepared & to Govt.

S. B. & I.

and at the same time at a higher price in the Mysore Shops though the materials are to be had here and the liquor is made on the Spot without all those heavy charges the imported liquor has to bear !!! There is not the shadow of a doubt that such a step is at the expense of the Mysore Treasury.

9. It is self-evident therefore that if the Mysore Government liquor is to oust the so-called Foreign-Stuff made in, and out of India, and now allowed to flood the Foreign liquor Shops in Mysore, Messrs. Parry & Co must be made to sell their liquors cheaper than the cheapest liquors imported into Mysore, so that the Mysore State may be able to secure its legitimate rights, which represent so much hard cash, going into Her Majesty's Coffers and into the pockets of the Home and Indian Manufacturers (outside Mysore limits). But what do we see by the figures given? Messrs. Parry & Co are actually charging, as already observed, more for their Stuff than the Importers Vide statement (C) and more too than Messrs. Morrison and Sons vide statement (A) Column 5 (K)

10. The mistake made was to allow Messrs. Parry & Co, themselves, to fix their own selling price not only at the distillery but to also allow the Foreign Retail dealer to do so likewise at his own sweet will at the Foreign liquor Shops. This is the prerogative of Government.

This

2/ This has all the greater force in Mysore as Messrs. Parry and Co are distillers at Nallikupam in the Madras Presidency and Messrs. Morrison and Sons at Ramputt in the same presidency. This latter firm are also to a certain extent working in the interests[x] of Messrs. Parry & Co in Madras. It is clear therefore that the trade with Mysore, in these Spurious brands made in Madras, will be affected very seriously if the prices of the Mysore "Double distilled" liquors are lowered in this State. It is well known that Messrs. Parry & Co., with their sugar refinery at their back, would be more interested pecuniarily in making liquor at Madras and finding a market for it in Mysore, than do as they are doing now by importing material from there and distilling liquor here and charging too high a price for "Double distilled Spirits" as they are doing now. Their trade in Madras is comparatively more important to them, than the very small business in Mysore. This important factor would be fully grappled with by compelling Messrs. Parry & Co. to adopt the rates fixed by the Mysore Government for its Spirits and not those, they are in their own interests, fixing here to serve their own ends in Madras to the loss of the Mysore Government. This act countenances

[x] The very existence of Messrs. Morrison & Sons depends on the will of Messrs Parry & Co & this lease of life has been secured, among other considerations, in being compelled to take Parry & Co's material to make the Rampett liquor. [illegible] L. Bly

If Parry & Co. start a distillery at Shencottah, as they contemplate, in competition with Messrs. [illegible]

a

a fraud on the Public and on the Home manufacturer. The Foreign Liquor Shop-keeper is thus also induced to break the laws of this State in dealing with such dishonest stuff.

11. Turning now to the Refreshment Room licenses issued to those selling double distilled and other Foreign liquors at the bar, I beg to refer to the statement (B) appended which gives the retail prices per dram for 20° and 30° U.P. "Double distilled" and those of the same strengths for "ordinary Country Arrack". It will be seen by Column 9 what the differences are. The real difficulty lies in the fact that while the Arrack Shop Keeper is tied down to sell at a fixed price per dram the Foreign Liquor Shop-Keeper is allowed to follow his own whim. The latter may if he deems it suitable lower his rates and thus draw the custom of the Arrack Shop to his Foreign Liquor Shop. It is therefore imperatively necessary to fix the rates for him as in the case of his confrere in the Arrack Shop.

fixed for the Shop keeper [illegible] Foreign [illegible] for Arrack Shop

12. The Foreign Liquor Refreshment room license fee is fixed at Rs 25 plus a Registration fee of Rs 25/ annually, while the country Arrack Shop Keeper is charged with a Registration fee of Rs 100, a duty charge of 4 annas per G. on sales over 55 gallons or 60 gallons, by way of license fees and has to

purchase the right to vend, for a good sum yearly at auction. He is tied down to sell his liquors at rates fixed by Government and to sell only liquor of one strength.

13. Government have allowed the wholesale import and sale of a lot of Spurious and cheap liquors under cover of this R850/ fees. This has told on the sales of the "Bombay Arrack" which is so heavily burdened but now the Excise Commissioner has, in anticipation of sanction of Government, and without properly safe-guarding Government and the Arrack Shop-keepers interests authorised these Foreign liquor Shop Keepers to vend double distilled Mysore liquor at not only the same strengths of 20° U.P. but also down to 30° U.P. opposite their very doors.

Q. Commissioner asks in anticipation to I.d. Shop keepers to vend D.D.S. at 20° U.P. & objection

14. In justice and equity it is quite clear that if one class of shop is allowed to sell 20° and 30° U.P. the other must be allowed to do so likewise. Of the two the Bombay Arrack Shop-keepers claims are decidedly the strongest. The rates of the one being fixed, those of the other should be regulated accordingly. On departmental grounds however, it is not advisable for both 20° and 30° U.P. Country Arrack being sold in one and the same Shops. It therefore behoves Government to permit as in Madras both class of liquors to be sold in Separate shops. This would increase the Shops needlessly. This however will be neither necessary nor expedient in Mysore, as Government might allow

Rates of both classes of shops to be regulated accordingly

allow 25 per cent to 50 per cent of the existing Number of country breach shops to sell 300 up only and the remaining number 20° up. If this be not done Government should interdict the sale of 20° and 30° at the bar in Foreign liquor Shops and confine such sales to full bottles or pints as sealed and issued by the Department. And further, also, prohibit any class of imported liquor being thus sold if of less strength than 60° or 150 up certainly not at 20° up and below.

15. To effectually protect its own interests the Mysore Government should declare all liquors imported of the strength of 16° up and below to be country liquors under the last para of Section 3(K) of the Excise Act.

16. Government may now permit the Sale of Mysore double distilled liquors 20° and 30° up bottled and sealed to be sold intact in Foreign liquor Shops and notify the fact to the Shops licensed to sell common "country breach" when the Shops are sold annually. This will protect both the breach Shopkeepers and Govt. interests now jeopardized by the import and sale of cheap spurious brands and country liquors made in India and will enable such country breach Shopkeepers to regulate their bids accordingly and obviate just grounds for complaint which they now have by the action taken by the Excise Commissioner in anticipation of the sanction of Government in the order under advertence. That order should therefore pending be cancelled

pending further orders of Government be withdrawn by the Excise Commissioner forthwith until a properly and well considered proposal is laid before and approved of by Government.

17. The prices of double distilled liquors at the distillery and shops, as fixed by Government, should be published in the local Gazette for general information, as a standing advertisement, to be altered from time to time only by competent authority. I had the greatest difficulty to get in a correct price current and other information for this paper which had therefore to be delayed so long undispersed of. The Public and the trade should be made fully cognizant of all connected with this subject as regards Government rates, the manufacturers, the carrying contractors (which are not availed of as regards double distilled liquors) and the Retail Vendor's prices &c.

3. It has been brought
to notice that some of the
so-called "Foreign Liquors"
are sold very cheap. This is
evidently due not only to
the reduced strength at
which it is allowed to be
imported into, and offered
for sale here, but evidently
to Messrs Parry & Co's liquors
being priced higher than
the same class of spirits
sold in Madras as "Foreign
Liquors" though made in
the Country owing to the
payment of duty thereon
according to the Tariff
act. It is doubtful more-
over if all such quasi
Foreign liquors are thus
made amenable to the
Excise laws outside Mysore.
There is nothing to prevent
ordinary Country liquor
made in Madras being

imported into Mysore and which does not pay duty at the Tariff rates.

4. The Foreign liquor Shop-keepers should therefore be addressed on the matter with a view to the strengths of their brands being notified and their views ascertained as to the advisability of fixing say 10° or 15° U P as the strength at which the genuine foreign liquor may be admitted into the Mysore Foreign liquor shops. All strengths lower than 15° should then be declared to be "Country liquors" under Sec 3, last para of the Excise Act in force in Mysore. This will effectually put a

stop the sale of the Class of
weak and spurious
liquors alluded to by the
Excise Comrs. This will be
to the benefit of all res
pectable firms, the public,
and Govt, while a sufficient
margin will be left to
Messrs Parry & Co to place
their double-distilled liquor
down to 20° U. P in such
shops at a price some
what lower than those
charged for the imported
brands.

Sir,

I have the honor to State that, as laid down in Rule VII in Government Notification No. 31, dated 9th May 1889, and amended by Notification No. 381, dated 29th January 1891, Foreign liquor shop keepers in this province can sell double-distilled Country Spirits at strengths only down to 10° U. P. It has come to my notice that 10° U. P. is too strong for the Consumers to drink and would tend to injure their health. I have ascertained that some of the Europe Spirits sold in the shops, is as weak

as 30° u. P. In the interests of the Consumers and also in view to Compete with Europe liquors, it is desirable that the said Shop keepers should be ~~permitted~~ to sell our double-distilled Spirits at Strengths down to 30° u.P. Read - Letter No. 1475 dt 30 Oct. 93 from the Excise Commr. Submg a draft Notifn. to amend the existing rule regarding the sale of double-distilled Spirits -

Order.

The lowering of double distilled spirits from 10° under Proof to 30° under Proof while 20° under Proof is the standard strength fixed for "ordinary Country liquors" would, for obvious reasons, be undesirable, unless the latter is also lowered to 30° under Proof, which however, Govt are not at this moment, prepared to consider.

2. Under such circumstances, the minimum strength of the double distilled spirits will be fixed at 20° Under Proof for the present, and a ~~draft~~ Notification issued accordingly in the Mysore Gazette.
